The first volume of Messrs, Gavin & Hord's work contains an excellent and copious index, which to every practicing lawyer in the tate is itself worth the money which the volume costs. The volume under review contains another excellence llits pages are supplied with valuable marginal indices, o that a glance at the margin is sufficient to apprise the eader of the contents of the page. slation since 1851. Heretofore, the lawyer in examining our legislation on any given subject had first to find what was relevant to it in the Revision of 1852, and then to turn over the pages of the volumes of subsequent Statutes, to see how far recent legislation may have repealed or most fed the provisions contained in that Revision, and even then he would often feel doubt whether he had found all the legislation on the subject of his inquiry. Messrs. Gavin and Hord have relieved us of all this trouble and doubt. They have collected together in consecutive pages Price \$1 per Bottle; Six Bottles for \$5. all the statutes made since 1851, on the same subject. Thus, on pages 373 to 377 of their first volume they have

collected all our legislation, now in force, on the subject o husband and wife, including the act of 1852 and three act of 1857. And they have followed the same mode o coocation, in appropriate consecutive pages, in regard to all other topics of legislation. A still more valuable feature are the copious and accu-Constitution of Indiana, and several important acts of Virginia and statutes of Congress, and a large portion o our tutions and statutes are found at the bottom of the appropriate pages, in the form of neat, brief and accurate noteand references. Messrs. Gavin & Hord seem to have performed this part of their work exceedingly well. It must have cost them much care and labor. By it they have greatly lessened the labor of the practising lawyer, and have well merited his grateful approval. In every respect the volume under review is highly reditable to the dilligence, accuracy, talents and the taste o its editors, as well as to the mechanical skill and neatness of its publishers, and " must raise the just expectation of the profession, as to the value of the second volume, which we understand will be forthcoming in a few months, and which will contain the code of pleading and practice o Without any concert with the editors or publishers of the

I at once made application to the most skillful physicians in the country, but receiving no assurances from them that my hair could again be restored, I was forced to become reconciled to my fate, until fortunately in the latter part of the year 1857, your restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time I have used seven dollars' worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can buy.

Yours, very respectfully, M. J. WRIGHT, M. D. Office of the Jeffersonian, Phillippi, Va., Dec. 12, '58. Dear Sin-I feel it my duty as well as my pleasure, to state to you the following circumstances, which you can use as you think proper. A gentleman of this place, (a lawyer,) has been bald ever since his early youth, so much so that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and he is very well known in our ad-

nending your Hair Restorative as a most excellent cure for scald head. My son was suffering very much from this well. I recommended it to others who had diseases of the head, and in all cases it had the desired effect. You can recommend it without fear as a most certain cure for scald head. Many others will certify that this and many other cases was cured from the use of your most valuable Hair Respectfully yours, GEORGE McSUAIN.
